

GMT Environmental Policy

GMT Furniture Ltd is committed to minimise the impact of its activities on the environment.

Key Points to achieve this are –

- : Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- : Actively promote recycling both internally and amongst our customers and suppliers.
- : Source materials which will minimise the environmental impact of the production of our products.
- : Ensure all employees are fully aware of and comply with the companys environmental policy. We will enlist the support of all employees in ways to improve company performance.
- : Comply with all applicable environmental laws and regulations.
